SAGE AND SULPHUR DARKENS GRAY HAIR

Brush this through faded, lifeless locks and they become dark, glossy, youthful.

Hair that loses its color and lustre, or when it fades, turns gray, dull and lifeless, is caused by a lack of sulphur in the hair. Our grandmother made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful, and thousands of women and men who value that even color, that beautiful dark shade of hair which is so attractive, use only this time-reprover.

Nowadays we get this famous mixture by asking at any drug store for a 50 cent bottle of "Wyeth's Sage and Sulphur Hair Remedy," which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. Besides, it takes off dandruff, stops scalp itching and falling hair. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning the gray hair disappears; but what delights the ladies with Wyeth's Sage and Sulphur is that, besides beautifully darkening the hair after a few applications, it also brings back the gloss and lustre and gives it an appearance of abundance.

WHEN YOU ARE NERVOUS

you have the first symptom of a run-down system, and nervous people too often conceal their aches and pains and suffer in silence, while, if neglected, this condition often foreruns more serious trouble.

If those so afflicted would stop taking medicine containing alcohol or drugs which menace the foundations of health, and just take the pure, strengthening nourishment in Scott's Emulsion, it would create new blood to pulsate through the organs, refresh their bodies and build up the whole nervous system. It is rich, sustaining nourishment, free from wines, alcohols or drugs. Shun substitutes.

BURLINSON'S REPORT MINORITY

The following letter was received by J. W. Guthrie, president of the commercial club, in response to a telegram sent to Senator Hitchcock following the report that the postmaster general favored a program of retrenchment in the matter of the erection of public buildings which effected the chances of Alliance securing a public building soon.

Mr. J. W. Guthrie, Alliance Commercial Club, Alliance, Nebr.

Dear Sir:— Senator Hitchcock desires me to acknowledge the receipt of your telegram of May third, and to say in reply that the opposition of the Postmaster General to the erection of public buildings in certain towns is not likely to prevail. His attitude is expressed in a minority report as a member of the Public Buildings Commission which reported to Congress a few days ago, but as a majority of the Commission took a different view, it is not likely that the Postmaster General's recommendation will be accepted by Congress. I will send you under separate cover a copy of the minority and majority reports. Very truly, W. D. EAKIN, Secretary.

COURT ADJOURNS: SESSION SHORT

District court adjourned yesterday forenoon after a session that lasted only two and one-half days. Several civil matters occupied the attention of the court the first two days. A divorce was granted Carrie Smith from her husband, Arthur Smith.

The case against the Central Lumber Company was dismissed. Robert Lea pleaded guilty to a charge of gambling. In consideration of the fact that he had already spent ninety days in jail awaiting trial the judge suspended sentence during his good behavior. In the case of Harry Criley for burglary the defendant pleaded guilty but stated that he was intoxicated when the crime was committed. The judge suspended sentence during good behavior on the condition that Criley take the Keeley cure at once. The case of Solmie Woods who is held on a charge of assault, was continued until the next term of court.

ALUMNI BANQUET LAST EVENING

The sixth annual banquet of the Alliance High School Alumni Association was held last night at the Burlington hotel. It was an elaborate affair and was carried out with a nicety of detail that reflected a great deal of credit upon the hotel management. The hotel dining room was artistically decorated for the occasion in blue and white. White carnations were used effectively in the table decorations. The high school orchestra furnished music at intervals throughout the evening. This feature was thoroughly enjoyed by all.
